Registration Information

- We will do our best to ensure enrollment in the clubs you are requesting. To ensure that children are enrolled appropriately, a screening process may be utilized to group children according to needs and abilities.

- In the event of insufficient registration, OT Solutions Inc. reserves the right to cancel or reschedule a class. In the event that registration reaches capacity, additional classes may be added.
- Discounts are available if registering for more than two classes, or for siblings.
- In order for your child to get the most of this fun learning experience, your child will need to be able to participate in a group setting with minimal assistance. If you are not sure if your child can participate without 1:1 assistance, please contact Jennifer at OT Solutions Inc. to fully explore club options.
- Payment shall be rendered one week prior to the first day of club; no refunds will be available after the first day of club.
- We tend to play hard and sometimes get messy; please wear play clothes!
- If toileting accommodations are needed, please call to discuss special needs.
